Our studio and jewelry store is located in a small western town, Wickenburg Arizona (N.W. of Phoenix). It was at one time the "dude ranch capital of the west". We hand make each piece of jewelry using gold hand fabrication skills, lost wax casting methods, as well as stone inlay arts. We work in 14 K yellow and white gold, and use platinum heads to hold the diamonds. Give us a call on my toll free direct telephone line **1-928-684-5823, and we will work with you to create a piece of jewelry that is special to you. We will also give you our satisfaction guarantee and will not forget you after the sale. Many of my customers return time and again for additional pieces to add to their collection.**
