DANNYSJEWELRYAZ

Our studio and jewelry store is located in the small western town of Wickenburg Arizona (N.W. of Phoenix). We are a family owned business and are proud to say we have been creating jewelry dreams for over 42 years! Wickenburg was at one time the “dude ranch capital of the west”. We hand make each piece of jewelry using gold hand fabrication skills, lost wax casting methods, as well as stone inlay arts. We work in 14K yellow and white gold, and use platinum heads to hold the diamonds.

Give us a call directly at 1-928-684-5823, and we will work with you to create a piece of jewelry that is special to you. We will also give you a satisfaction guarantee and will not forget you after the sale. Many of our customers return time and again for additional pieces to add to their collection.

The following pages are some examples of our craftsmanship.

Prices vary depending on the size of rings, and the size of diamonds selected for jewelry. If you have your own diamond the price will be significantly lower!

Please NOTE that prices for gold have increased. Pricing will vary depending on market value.
